The screenshot shows the website of IES Julio Caro Baroja. The main navigation bar includes links for 'INICIO', 'INFORMACIÓN', 'PROFESORES', 'ALUMNOS', 'FAMILIAS', 'OPINIÓN', 'ACTIVIDADES', 'CONTACTO', 'ENLACES', and 'GALERÍA'. The central article is titled 'INIKIA aplikazioa mugikor eta tabletentzat' (INIKIA application for mobile and tablets). The article text, written in Basque, describes the INIKIA application as a tool for families to receive information about school events, activities, and news. It mentions that the app is available for both iOS (Apple) and Android (Google Play) and is free of charge. A red box highlights the INIKIA app icon on a smartphone screen. To the right of the article, there is a calendar for September 2015 and a section titled 'Gurasoen bilerak' (Parents' meetings) with a list of dates and times. The website footer includes the text 'Hirueledun eguna' (Three-day week) and '2015/09/22'.
